Sec. 1.0015. LEGISLATIVE INTENT. It is the intent of the legislature that the application of this code and the conduct of elections be uniform and consistent throughout this state to reduce the likelihood of fraud in the conduct of elections, protect the secrecy of the ballot, promote voter access, and ensure that all legally cast ballots are counted.

Added by Acts 2021, 87th Leg., 2nd C.S., Ch. 1 (S.B. 1), Sec. 1.04, eff. December 2, 2021.

Sec. 1.003. CONSTRUCTION OF CODE. (a) The Code Construction Act (Chapter 311, Government Code) applies to the construction of each provision in this code, except as otherwise expressly provided by this code.

(a-1) Election officials and other public officials shall strictly construe the provisions of this code to effect the intent of the legislature under Section 1.0015.

(b) When a provision of this code provides that it supersedes another specifically referenced provision of this code to the extent of any conflict, no conflict is created by the failure of the superseding provision, or of related provisions, to repeat the substance of the referenced provision; rather, a conflict exists

only if the substance of the superseding and any related provisions is irreconcilable with the substance of the referenced provision. If the substance of the superseding provision, together with any related provisions, and the substance of the referenced provision can each be applied to the same subject or set of circumstances, both provisions shall be given effect.

#### **SUBCHAPTER C. ELECTION OF UNOPPOSED CANDIDATE**

Sec. 2.051. APPLICABILITY OF SUBCHAPTER. (a) Except as provided by Section 2.055, this subchapter applies only to an election for officers of a political subdivision other than a county in which write-in votes may be counted only for names appearing on a list of write-in candidates and in which each candidate for an office that is to appear on the ballot is unopposed, except as provided by Subsection (b). For purposes of this section, a special election of a political subdivision is considered to be a separate election with a separate ballot from:

(1) a general election for officers of the political subdivision held at the same time as the special election; or

(2) another special election of the political subdivision held at the same time as the special election.

(b) In the case of an election in which any members of the political subdivision's governing body are elected from territorial units such as single-member districts, this subchapter applies to the election in a particular territorial unit if each candidate for an office that is to appear on the ballot in that territorial unit is unopposed and no opposed at-large race is to appear on the ballot. This subchapter applies to an unopposed at-large race in such an election regardless of whether an opposed race is to appear on the ballot in a particular territorial unit.

(a) The authority responsible for having the official ballot prepared shall certify in writing that a candidate is unopposed for election to an office if, were the election held, only the votes cast for that candidate in the election for that office may be counted.

(b) The certification shall be delivered to the governing body of the political subdivision as soon as possible after the filing deadlines for placement on the ballot and list of write-in candidates.

(c) A certification may be made under Subsection (a) following the filing of a withdrawal request by a candidate after the deadline prescribed by Section 145.092 if:

- (1) the withdrawal request is valid except for the untimely filing;

the office. If no election is to be held on election day by the political subdivision, a copy of the order or ordinance shall be posted on election day at each polling place used or that would have been used in the election.

(b) If a declaration is made under Subsection (a), the election is not held.

(c) The ballots used at a separate election held at the same time as an election that would have been held if the candidates were not declared elected under this section shall include the offices and names of the candidates declared elected under this section listed separately after the measures or contested races in the separate election under the heading "Unopposed Candidates Declared Elected." The candidates shall be grouped in the same relative order prescribed for the ballot generally. No votes are cast in connection with the candidates.

(d) The secretary of state by rule may prescribe any additional procedures necessary to accommodate a particular voting system or ballot style and to facilitate the efficient and cost-effective implementation of this section.

(a) The secretary of state shall declare an unopposed candidate elected to fill a vacancy in the legislature if:

(2) no proposition is to appear on the ballot.

(b) The declaration under Subsection (a) shall be made on the second day after:

(1) the last date an application for a place on the special election ballot may be filed; or

(2) the date of a withdrawal, death, or final judgment of ineligibility of a candidate that causes the remaining candidate to be unopposed.

(c) After a declaration is made under Subsection (a), the election is not held. A copy of the declaration shall be posted on election day at each polling place that would have been used in the election.

(d) At the same time a declaration is made under Subsection (a), the secretary of state shall issue a certificate of election to each candidate in the same manner as provided for a candidate elected at the election.

On receiving notice of the initial appointment of the administrator, the secretary shall deliver a set of the rules to the administrator.

Sec. 31.165. DIVISION OF CERTAIN DUTIES BETWEEN OFFICER AND ADMINISTRATOR. (a) With respect to meetings of the governing body of a participating entity, including meetings at which the only business conducted pertains to elections, the officer of the participating entity formerly required to conduct elections shall perform the officer's regularly prescribed duties in giving notice of and preparing the agenda for the meetings, attending the meetings and making a record of the proceedings, preparing and maintaining the minutes of the governing body, and filing and preserving copies of the governing body's orders, except as provided by Subsection (b). The joint elections administrator shall cooperate with the officer in supplying information on election matters that are to be brought before the governing body and shall attend or be represented at the meetings of the governing body at which election matters are considered. The officer shall furnish the administrator with a copy of each order of the governing body that pertains to or affects an election, and the administrator shall maintain the copies on file.

(b) The joint elections administrator is responsible for providing the clerical assistance needed by the governing body in canvassing precinct election returns. The administrator shall maintain the official file of the governing body's tabulation of election results, and the officer need not maintain a file of copies of the tabulations.

(c) In an election on a measure in which the governing body is the final canvassing authority, if a statute requires the officer to record an order of the governing body in its minutes declaring whether the measure carried or failed, the officer shall perform that duty. A copy of the order shall also be filed in the office of the joint elections administrator. If a statute requires the officer to certify the result of the election to some other authority, the officer shall perform that duty.

(d) If a statute provides for the ordering of an election on a measure by the governing body, the presiding officer of that body, or another authority of the entity on submission of a petition requesting the election, the joint elections administrator shall perform the duties that the statute places on the participating entity's officer in connection with filing the petition, determining its validity, and any other matters preceding the ordering of the election.

(e) If a statute prescribing the procedure for creating a

political subdivision provides for the ordering of an election by a participating entity as a step in the creation process, the joint elections administrator shall perform the duties that the statute places on an officer of that entity in connection with matters preceding the entry of the order on whether the election will be ordered, including the filing of a petition for the creation, the holding of any hearing on the proposal, the filing of any report or other document that is a step in the procedure, and the taking of any appeal from the order on whether the election is to be ordered. If the holding of an election ordered by a participating entity is not one of the steps in the creation process, the entity's officer shall perform the duties placed on that officer in connection with the creation of a political subdivision.

(f) If a statute provides that the return of an election notice for an election ordered by a participating entity is to be recorded in the minutes of the governing body of the entity, the return shall be filed in the office of the joint elections administrator.

(b) If the joint elections administrator or officer of a participating entity is uncertain as to which person should perform a duty or function that the secretary of state has not classified, the person shall request the secretary to classify that duty or function, and the secretary shall comply with the request as soon as practicable.

(c) The secretary of state shall deliver a copy of each rule

proposed under this section to the joint elections administrator and to the officer of each participating entity in this state not later than the fifth day after the date notice of the proposal is published in the Texas Register and shall deliver a copy of each adopted rule to those persons not later than the fifth day after the date the certified copy of the rule is filed in the secretary's office. Failure to comply with this subsection does not affect the validity of a rule.

(d) On receiving notice of the creation of the position of joint elections administrator for a county, the secretary of state shall deliver to the county clerk a current set of the rules adopted under this section. On receiving notice of the initial appointment of the administrator, the secretary shall deliver a set of the rules to the administrator.

(e) The secretary of state may, on 30 days' notice, adopt a rule classifying a duty or function if the rule is needed in a shorter time than provided by the regular rulemaking process. The rule is considered an emergency rule for purposes of Chapter 2001, Government Code. The secretary is not required to give notice of the proposed rule under Subsection (c), but the secretary must give notice of the rule's adoption under that subsection.

Added by Acts 2007, 80th Leg., R.S., Ch. 148 (S.B. [493](#)), Sec. 1, eff. September 1, 2007.

Sec. 31.167. MISDIRECTION OF DOCUMENT. (a) If a document that should be filed with or submitted to the joint elections administrator is mailed to an officer of a participating entity or vice versa, the person receiving the document shall note on the document or the envelope in which it is received the time of its receipt and shall promptly deliver it to the proper person. If the statute under which the document is filed or submitted does not specify that the filing or submission is to be made with the elections administrator of a political subdivision having that position, the timeliness of the filing or submission is determined, as appropriate:

- (1) by the time of mailing; or
- (2) by the time of receipt by the person to whom the document is addressed.

(b) If a document that should be filed with or submitted to the joint elections administrator is delivered in person to an officer of a participating entity or vice versa, the person to whom the delivery is made shall direct the person making the delivery to the proper office.

(c) If a statute specifies that a document is to be filed with or submitted to an officer without specifying that the filing or submission is to be made with the elections administrator of a political subdivision having that position and the office to accept the filing or submission is changed to the joint elections administrator under this subchapter, a filing or submission made with the officer has the same legal effect as if made with the administrator if the officer accepts and files the document.

Added by Acts 2007, 80th Leg., R.S., Ch. 148 (S.B. 493), Sec. 1, eff. September 1, 2007.

Sec. 31.168. ACTION BY WRONG OFFICER. If a statute specifies that an action is to be taken by an officer without specifying that it is to be taken by the elections administrator of a political subdivision having that position, an action taken by the officer without objection from the administrator has the same legal effect as if taken by the administrator.

Added by Acts 2007, 80th Leg., R.S., Ch. 148 (S.B. 493), Sec. 1, eff. September 1, 2007.

Sec. 31.169. ADDITION OR WITHDRAWAL OF POLITICAL SUBDIVISIONS.

(a) A political subdivision that has not created the position of joint elections administrator and that has territory in or is a county adjacent to a county using a joint elections administrator may use the joint elections administrator to conduct the elections of the political subdivision as provided by this subchapter, if approved by the governing body of the political subdivision and the joint elections commission. Following approval by both entities under this subsection, the political subdivision is entitled to representation on the joint elections commission, as provided by Section 31.153(a)(3).

(b) A political subdivision, other than the county that sent

notice seeking creation under Section 31.152(a)(1) or to which the notice was sent under Section 31.152(a)(2), may cease using the joint elections administrator to conduct the elections of the political subdivision under this subchapter, if approved by the governing body of the political subdivision. Following approval by the governing body under this subsection, the political subdivision is not entitled to representation on the joint elections commission.

Added by Acts 2007, 80th Leg., R.S., Ch. 148 (S.B. 493), Sec. 1, eff. September 1, 2007.

Sec. 31.170. ABOLISHING POSITION. (a) The joint elections commission or the commissioners court of each participating county by written order may abolish the position of joint elections administrator at any time.

(b) After the effective date of an order abolishing the position of joint elections administrator, the county tax assessor-collector is the voter registrar of the county, and the duties and functions of the officer of a participating entity that were performed by the administrator revert to the officer, unless a transfer of duties and functions occurs under Section 12.031 or 31.071.

(c) Not later than the third day after the date an order abolishing the position of joint elections administrator is adopted, the county clerk of the most populous participating county shall deliver a certified copy of the order to the secretary of state.

**CHAPTER 32. ELECTION JUDGES AND CLERKS**

**SUBCHAPTER A. APPOINTMENT OF ELECTION JUDGES**

Sec. 32.001. PRESIDING JUDGE AND ALTERNATE FOR EACH ELECTION PRECINCT. (a) A presiding election judge and an alternate presiding judge shall be appointed for each election precinct in which an election is held.

(b) The alternate presiding judge shall serve as presiding judge for an election if the regularly appointed presiding judge cannot serve.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 32.002. JUDGES FOR COUNTY ELECTION. (a) The commissioners court shall appoint the election judges for each regular county election precinct:

(1) at its July term in a county with a population of over 500,000; or

(2) at its August term in a county with a population of 500,000 or less.

(b) Judges appointed under Subsection (a) serve for a term of one year, except that the commissioners court by order recorded in its minutes may provide for a term of two years. A judge's term begins:

(1) August 1 following appointment in a county to which Subsection (a)(1) applies; or

(2) September 1 following appointment in a county to which Subsection (a)(2) applies.

(c) The presiding judge and alternate presiding judge must be affiliated or aligned with different political parties, subject to this subsection. Before July of each year in a county to which Subsection (a)(1) applies or before August of each year in a county to which Subsection (a)(2) applies, the county chair of a political party whose candidate for governor received the highest or second highest number of votes in the county in the most recent gubernatorial general election shall submit in writing to the

commissioners court a list of names of persons in order of preference for each precinct who are eligible for appointment as an election judge. The county chair may supplement the list of names of persons until the 20th day before a general election or the 15th day before a special election in case an appointed election judge becomes unable to serve. The commissioners court shall appoint the first person meeting the applicable eligibility requirements from the list submitted in compliance with this subsection by the party with the highest number of votes in the precinct as the presiding judge and the first person meeting the applicable eligibility requirements from the list submitted in compliance with this subsection by the party with the second highest number of votes in the precinct as the alternate presiding judge. If the candidates for governor of two political parties received the same number of votes in the precinct, the first person meeting the applicable eligibility requirements from the list submitted by the party whose candidate for governor received the highest number of votes in the county shall be appointed as the presiding judge and the first person meeting the applicable eligibility requirements from the list submitted by the party whose candidate for governor received the second highest number of votes in the county shall be appointed as the alternate presiding judge. The commissioners court may reject the list if the persons whose names are submitted on the list are determined not to meet the applicable eligibility requirements.

(c-1) For purposes of this subsection, the county chair shall provide a list of names of persons eligible for appointment as election judges. Judges of countywide polling places established under Section 43.007 must be appointed from the list of names of persons submitted by the county chair in compliance with Subsection (c) except that in appointing a person from the list the commissioners court shall apportion the number of judges in direct proportion to the percentage of precincts located in each county commissioners precinct won by each party in the last gubernatorial election, the commissioners court is not required to make the appointments based on specific polling locations or precincts, a presiding judge or alternate presiding judge is not required to serve in a polling place located in the precinct in which the judge resides, and more than one presiding judge or alternate presiding judge may be selected from the same precinct to serve in polling places not located in the precinct in which the judges reside. The

county chairs may submit, and the commissioners court may preapprove, the appointment of more presiding judges or alternate presiding judges than necessary to fill available positions. The county clerk may select an individual whose appointment was preapproved by the commissioners court to fill a vacancy in a position that was held by an individual from the same political party. Other than a judge's party affiliation, nothing in this subsection precludes a county clerk from placing an election officer at a countywide polling place based on the need for services at that location.

(d) The county clerk, after making a reasonable effort to consult with the party chair of the appropriate political party or parties, shall submit to the commissioners court a list of names of persons eligible for appointment as presiding judge and alternate presiding judge for each precinct in which an appointment is not made under Subsection (c). The commissioners court shall appoint an eligible person from the list who is affiliated or aligned with the appropriate party, if available.

(e) The commissioners court shall fill a vacancy in the position of presiding judge or alternate presiding judge for the remainder of the unexpired term. An appointment to fill a vacancy may be made at any regular or special term of court. Not later than 48 hours after the county clerk becomes aware of a vacancy, the county clerk shall notify the county chair of the same political party with which the original judge was affiliated or aligned of the vacancy. Not later than the fifth day after the date of notification of the vacancy, the county chair of the same political party with which the original judge was affiliated or aligned shall submit to the commissioners court in writing the name of a person who is eligible for the appointment. If a name is submitted in compliance with this subsection, the commissioners court shall appoint that person to the unexpired term. If a name is not submitted in compliance with this subsection, the county clerk shall submit to the commissioners court a list of names of persons eligible as an appointee for the unexpired term. The commissioners court shall appoint an eligible person from the list who is affiliated or aligned with the same party, if available.

(f) Subject to Section 32.003, the judges appointed under this section shall serve in each election ordered by the governor or a county authority in which the regular county election precincts are required to be used.

(g) Following an oral warning to the election judge and with the concurrence of the county chair of the same political party with which the judge is affiliated or aligned, the county clerk may remove, replace, or reassign an election judge who causes a disruption in a polling location or wilfully disobeys the provisions of this code. A vacancy created under this subsection shall be filled in the same manner as an emergency appointment under Section 32.007.

If appointments are made for a term, the governing body shall set the duration and beginning date of the term and shall fill vacancies in unexpired terms.

(a) If neither the presiding judge nor the alternate presiding judge can serve in an election and their inability to serve is discovered after the 20th day before a general election or the 15th day before a special election, the presiding officer of the appointing authority or the authority if a single officer shall appoint a replacement judge to preside at the election, subject to Subsection (f). If the appointing authority is unavailable, the authority responsible for

distributing the supplies for the election shall appoint the replacement judge.

Before May 1 of the year in which the determination is made, the commissioners court shall order the boundary changes necessary for compliance.

Sec. 43.007. COUNTYWIDE POLLING PLACE PROGRAM. (a) The secretary of state shall implement a program to allow each commissioners court participating in the program to eliminate county election precinct polling places and establish countywide polling places for:

- (1) any election required to be conducted by the county;
- (2) any election held as part of a joint election agreement with a county under Chapter 271;
- (3) any election held under contract for election services with a county under Subchapter D, Chapter 31;
- (4) each primary election and runoff primary election if:
  - (A) the county chair or county executive committee of each political party participating in a joint primary election under

Section 172.126 agrees to the use of countywide polling places; or

(B) the county chair or county executive committee of each political party required to nominate candidates by primary election agrees to use the same countywide polling places; and

(5) each election of a political subdivision located in the county that is held jointly with an election described by Subdivision (3) or (4).

(b) The commissioners court of a county that desires to participate in the program authorized by this section shall hold a public hearing on the county's participation in the program. The commissioners court shall submit a transcript or electronic recording of the public comments made at the hearing to the secretary of state. A county that has previously participated in a similar program and held a public hearing on the county's participation in that program is not required to hold a hearing under this subsection.

(c) In conducting the program, the secretary of state shall provide for an audit of the voting system equipment before and after the election, and during the election to the extent such an audit is practicable.

(d) The secretary of state shall select to participate in the program each county that:

(1) has held a public hearing under Subsection (b);

(2) has submitted documentation listing the steps taken to solicit input on participating in the program by organizations or persons who represent the interests of voters;

(3) has implemented a computerized voter registration list that allows an election officer at the polling place to verify that a voter has not previously voted in the election;

(4) uses direct recording electronic voting machines, ballot marking devices, or hand-marked scannable paper ballots that are printed and scanned at the polling place or any other type of voting system equipment that the secretary of state determines is capable of processing votes for each type of ballot to be voted in the county; and

(5) is determined by the secretary of state to have the appropriate technological capabilities.

(e) Each countywide polling place must allow a voter to vote in the same elections in which the voter would be entitled to vote in the county election precinct in which the voter resides.

(f) In selecting countywide polling places, a county must adopt

a methodology for determining where each polling place will be located. The total number of countywide polling places may not be less than:

(1) except as provided by Subdivision (2), 50 percent of the number of precinct polling places that would otherwise be located in the county for that election; or

(2) for an election held in the first year in which the county participates in the program, 65 percent of the number of precinct polling places that would otherwise be located in the county for that election.

(g) A county participating in the program must establish a plan to provide notice informing voters of the changes made to the locations of polling places under the program. The plan must require that notice of the location of the nearest countywide polling place be posted on election day at each polling place used in the previous general election for state and county officers that is not used as a countywide polling place.

(h) In adopting a methodology under Subsection (f) or creating the plan under Subsection (g), the county shall solicit input from organizations or persons located within the county who represent minority voters.

(i) The secretary of state may only select to participate in the program six counties with a population of 100,000 or more and four counties with a population of less than 100,000.

(j) Not later than January 1 of each odd-numbered year, the secretary of state shall file a report with the legislature. The report must include any complaints or concerns regarding a specific election that have been filed with the office of the secretary of state before the preparation of the report and any available information about voter turnout and waiting times at the polling places. The report may include the secretary of state's recommendations on the future use of countywide polling places and suggestions for statutory amendment regarding the use of countywide polling places.

(k) Each county that previously participated in a program under this section is authorized to continue participation in the program for future elections described by Subsection (a) if:

(1) the commissioners court of the county approves participation in the program; and

(2) the secretary of state determines the county's

participation in the program was successful.

(l) Subsections (b), (c), and (d) do not apply to a county participating in the program under Subsection (k).

(m) In adopting a methodology under Subsection (f), the county must ensure that:

(1) each county commissioners precinct contains at least one countywide polling place; and

(2) the total number of polling places open for voting in a county commissioners precinct does not exceed more than twice the number of polling places in another county commissioners precinct.

(n) To the greatest extent possible, countywide polling places shall be located in a precinct where the political party that received the greatest number of votes in the last gubernatorial election is the same political party with which the presiding judge is affiliated.

(o) Each countywide polling place must post a notice of the four nearest countywide polling place locations by driving distance.

(p) If a court orders any countywide polling place to remain open after 7 p.m., all countywide polling places located in that county shall remain open for the length of time required in the court order.

#### **SUBCHAPTER B. BUILDING FOR USE AS POLLING PLACE**

Sec. 43.031. POLLING PLACE IN PUBLIC BUILDING. (a) In this subchapter, "public building" means a building owned or controlled by the state or a political subdivision.

(b) Each polling place shall be located inside a building. No voter may cast a vote from inside a motor vehicle unless the voter meets the requirements of Section 64.009.

(c) The building selected for a polling place shall be a public building if practicable. The entity that owns or controls a public building shall make the building available for use as a polling place in any election that covers territory in which the building is located. If more than one authority requests the use of the building for the same day and simultaneous use is impracticable, the entity that owns or controls the building shall determine which authority may use the building.

(d) If a suitable public building is unavailable, the polling place may be located in some other building, including a building on a federal military base or facility with the permission of the post or base commander, and any charge for its use is an election expense. A polling place may not be located in a building under this subsection unless electioneering is permitted on the building's premises outside the prescribed limits within which electioneering is prohibited, except that a polling place may be located in a building at which electioneering is not permitted if it is the only building available for use as a polling place in the election precinct.

(e) A polling place may not be located at the residence of a person who is:

(1) a candidate for an elective office, including an office of a political party; or

(2) related within the third degree by consanguinity or the second degree by affinity, as determined under Chapter 573, Government Code, to a candidate described by Subdivision (1).

(a) If a public building is unavailable for use as the polling place for a county election precinct, the commissioners court may purchase or construct a building in the precinct for that purpose.

(b) The commissioners court may permit a building purchased or constructed under Subsection (a) to be used with or without charge for purposes other than as a polling place.

(a) No charge, including a charge for personnel, utilities, or other expenses incurred before or after regular business hours, may be made for the use of a public building for a polling place if the day of the election is a day on which the building is normally open for business. If the day of the election is a day on which the building is not normally open for business, a charge may be made only for reimbursement for the actual expenses resulting from use of the building in the election.

(b) The reimbursing authority is entitled to an itemized statement of expenses before making remittance.

(c) A person commits an offense if the person assesses a charge for the use of a public building for a polling place in violation of Subsection (a). An offense under this subsection is a Class C misdemeanor.

(3) any curb adjacent to the main entrance to a polling place must have curb cuts or temporary nonslip ramps;

(4) any stairs necessary to enter or leave the polling place must have a handrail on each side of the stairs and a nonslip ramp; and

(5) the polling place may not have a barrier that impedes the path of a person with physical disabilities to the voting station.

(b) The commissioners court shall provide a polling place that complies with Subsection (a) in each county election precinct. The site shall be made available for use as a polling place on every day that an election may be held within the precinct by any authority that holds elections. The commissioners court may make expenditures from either the general fund or the permanent improvement fund to bring an existing county-owned site into compliance with Subsection (a).

(c) The governing body of each political subdivision that holds elections shall cooperate with the commissioners court in its respective county in implementing this section and is subject to the same requirements for compliance as prescribed by Subsection (b). If the authority holding an election rejects a county-designated polling place that is available and chooses to use a different site of its own designation, it shall provide a polling place that complies with Subsection (a) at its own expense. A political party that is holding a primary election may not reject an available county-designated polling place without the prior consent of the secretary of state.

(b) A person other than the voter who assists a voter by depositing the carrier envelope in the mail or with a common or contract carrier or who obtains the carrier envelope for that purpose must provide the person's signature, printed name, and residence address on the reverse side of the envelope. The person must sign the envelope using ink on paper. An electronic signature or photocopied signature is not permitted.

PROHIBITED. (a) A person commits an offense if the person:

(1) compensates another person for depositing the carrier envelope in the mail or with a common or contract carrier as provided by Section 86.0051(b), as part of any performance-based compensation scheme based on the number of ballots deposited or in which another person is presented with a quota of ballots to deposit as provided by Section 86.0051(b);

(2) engages in another practice that causes another person's compensation from or employment status with the person to be dependent on the number of ballots deposited as provided by Section 86.0051(b); or

(3) with knowledge that accepting compensation for such activity is illegal, accepts compensation for an activity described by Subdivision (1) or (2).

(b) Except as provided by Subsection (c), an offense under this section is a misdemeanor punishable by:

(1) confinement in jail for a term of not more than one year or less than 30 days; or

(2) confinement described by Subdivision (1) and a fine not to exceed \$4,000.

(c) An offense under this section is a state jail felony if it is shown on the trial of an offense under this section that the defendant was previously convicted two or more times under this section.

(d) An officer, director, or other agent of an entity that commits an offense under this section is punishable for the offense.

(e) For purposes of this section, compensation means any form of monetary payment, goods, services, benefits, or promises or offers of employment, or any other form of consideration offered to another person in exchange for depositing ballots.

Sec. 86.006. METHOD OF RETURNING MARKED BALLOT. (a) A marked ballot voted under this chapter must be returned to the early voting clerk in the official carrier envelope. The carrier envelope may be delivered in another envelope and must be transported and delivered only by:

(1) mail;

(2) common or contract carrier; or

(3) subject to Subsections (a-1) and (a-2), in-person delivery by the voter who voted the ballot.

(a-1) The voter may deliver a marked ballot in person to the early voting clerk's office only while the polls are open on election day. A voter who delivers a marked ballot in person must present an acceptable form of identification described by Section 63.0101.

(a-2) An in-person delivery of a marked ballot voted under this chapter must be received by an election official at the time of delivery. The receiving official shall record the voter's name, signature, and type of identification provided under Section 63.0101 on a roster prescribed by the secretary of state. The receiving official shall attest on the roster that the delivery complies with this section.

(b) Except as provided by Subsection (c), a carrier envelope may not be returned in an envelope or package containing another carrier envelope.

(c) The carrier envelopes of persons who are registered to vote at the same address may be returned in the same envelope or package.

(d) Each carrier envelope that is delivered by a common or contract carrier must be accompanied by an individual delivery receipt for that particular carrier envelope that indicates the name and residence address of the individual who actually delivered the envelope to the carrier and the date, hour, and address at which the carrier envelope was received by the carrier. A delivery of carrier envelopes is prohibited by a common or contract carrier if the delivery originates from the address of:

- (1) an office of a political party or a candidate in the election;
- (2) a candidate in the election unless the address is the residence of the early voter;
- (3) a specific-purpose or general-purpose political committee involved in the election; or
- (4) an entity that requested that the election be held, unless the delivery is a forwarding to the early voting clerk.

(e) Carrier envelopes may not be collected and stored at another location for subsequent delivery to the early voting clerk. The secretary of state shall prescribe appropriate procedures to implement this subsection and to provide accountability for the

delivery of the carrier envelopes from the voting place to the early voting clerk.

(f) A person commits an offense if the person knowingly possesses an official ballot or official carrier envelope provided under this code to another. Unless the person possessed the ballot or carrier envelope with intent to defraud the voter or the election authority, this subsection does not apply to a person who, on the date of the offense, was:

(1) related to the voter within the second degree by affinity or the third degree by consanguinity, as determined under Subchapter B, Chapter 573, Government Code;

(2) physically living in the same dwelling as the voter;

(3) an early voting clerk or a deputy early voting clerk;

(4) a person who possesses a ballot or carrier envelope solely for the purpose of lawfully assisting a voter who was eligible for assistance under Section 86.010 and complied fully with:

(A) Section 86.010; and

(B) Section 86.0051, if assistance was provided in order to deposit the envelope in the mail or with a common or contract carrier;

(5) an employee of the United States Postal Service working in the normal course of the employee's authorized duties; or

(6) a common or contract carrier working in the normal course of the carrier's authorized duties if the official ballot is sealed in an official carrier envelope that is accompanied by an individual delivery receipt for that particular carrier envelope.

(g) An offense under Subsection (f) is a Class A misdemeanor unless the defendant possessed the ballot or carrier envelope without the request of the voter, in which case it is a felony of the third degree. If conduct that constitutes an offense under this section also constitutes an offense under any other law, the actor may be prosecuted under this section, the other law, or both.

(g-1) An offense under Subsection (g) is increased to the next higher category of offense if it is shown on the trial of an offense under this section that:

(1) the defendant was previously convicted of an offense under this code;

(2) the offense involved an individual 65 years of age or older; or

(3) the defendant committed another offense under this

section in the same election.

(h) A ballot returned in violation of this section may not be counted. If the early voting clerk determines that the ballot was returned in violation of this section, the clerk shall make a notation on the carrier envelope and treat it as a ballot not timely returned in accordance with Section 86.011(c). If the ballot is returned before the end of the period for early voting by personal appearance, the early voting clerk shall promptly mail or otherwise deliver to the voter a written notice informing the voter that:

(1) the voter's ballot will not be counted because of a violation of this code; and

(2) the voter may vote if otherwise eligible at an early voting polling place or the election day precinct polling place on presentation of the notice.

(i) In the prosecution of an offense under Subsection (f):

(1) the prosecuting attorney is not required to negate the applicability of the provisions of Subsections (f)(1)-(6) in the accusation charging commission of an offense;

(2) the issue of the applicability of a provision of Subsection (f)(1), (2), (3), (4), (5), or (6) is not submitted to the jury unless evidence of that provision is admitted; and

(3) if the issue of the applicability of a provision of Subsection (f)(1), (2), (3), (4), (5), or (6) is submitted to the jury, the court shall charge that a reasonable doubt on the issue requires that the defendant be acquitted.

(1) before the time the polls are required to close on election day; or

(2) not later than 5 p.m. on the day after election day, if the carrier envelope was placed for delivery by mail or common or contract carrier before election day and bears a cancellation mark of a common or contract carrier or a courier indicating a time not later than 7 p.m. at the location of the election on election day.

(b) If the early voting clerk cannot determine whether a ballot arrived before the deadline, the ballot is considered to have arrived at the time the place at which the carrier envelopes are deposited was last inspected for removal of returned ballots. The clerk shall check for returned ballots, at least once before the deadline, after the normal delivery time on the last day at the place at which the carrier envelopes are deposited.

(c) A marked ballot that is not timely returned may not be counted.

(d) A marked ballot voted by mail that arrives after the time prescribed by Subsection (a) shall be counted if:

(2) the carrier envelope was placed for delivery before the time the ballot is required to arrive under Subsection (a)(1); and

(3) the ballot arrives at the address on the carrier envelope not later than the fifth day after the date of the election.

(d-1) If the deadline for the arrival of a ballot voted by mail falls on a Saturday, Sunday, or legal state or national holiday, then the deadline is extended to the next regular business day.

(e) A delivery under Subsection (a)(2) or (d) is timely, except as otherwise provided by this title, if the carrier envelope or, if applicable, the envelope containing the carrier envelope:

(1) is properly addressed with postage or handling charges

prepaid; and

(2) bears a cancellation mark of a recognized postal service or a receipt mark of a common or contract carrier or a courier indicating a time before the deadline.

(f) The envelope must bear the cancellation mark or receipt mark as required by Subsection (e)(2) to be timely under this section.

Sec. 86.008. OPPORTUNITY TO CORRECT DEFECT: APPLICATION. (a) This section applies to an application for a ballot to be voted by mail for which the applicant failed to comply with a requirement provided by Section 84.002, 84.0021, or 84.003(a) in a manner that would lead, if not corrected, to the rejection of the applicant's application.

(a-1) Not later than the second day after the early voting clerk discovers a defect described by Subsection (a), the early voting clerk shall:

(1) determine if it would be possible for the applicant to correct the defect and return an application form by mail before the deadline provided by Section 84.007(c) or 86.0015(b-1), as applicable; and

(2) notwithstanding any other law, if the clerk determines

it would be possible to correct the defect and return an application form before the deadline provided by Section 84.007(c) or 86.0015(b-1), either return the application to the applicant or deliver an official application form to the applicant.

(b) The clerk shall include with the returned application or an application form delivered to the applicant under Subsection (a-1)(2) a written notice containing:

(1) a brief explanation of each defect in the noncomplying application;

(2) a statement informing the voter that the voter is not entitled to vote an early voting ballot unless the application complies with all legal requirements; and

(3) instructions for submitting the corrected or second application.

(c) If the early voting clerk determines that it would not be possible for the applicant to correct the defect and return an application form by mail before the deadline provided by Section 84.007(c) or 86.0015(b-1), as applicable, the clerk may notify the applicant by telephone or e-mail of the defect, including the information required under Subsection (b), and inform the applicant that the applicant may come to the early voting clerk's office before the deadline provided by Section 84.007(c) or 86.0015(b-1), as applicable, and correct the defect in person.

(c-1) The clerk shall:

(1) in addition to returning an application or providing an application form under Subsection (a-1)(2) or notifying an applicant under Subsection (c), notify the applicant of a defect discovered under this section and provide the information required to be included under Subsection (b) using the online tool described by Section 86.015; and

(2) if possible, permit the applicant to correct a defect using the online tool described by Section 86.015.

(d) Notwithstanding any other provisions of this code, the clerk may deliver in person to the voter a second application if the defective original application is timely and may receive, before the deadline, the corrected application in person from the voter. If a procedure authorized by this subsection is used, it must be applied uniformly to all applications covered by this subsection. The clerk shall enter a notation on the application indicating any information added by the clerk under this subsection. A poll watcher is entitled

to accompany the clerk and observe the procedures under this subsection. The secretary of state may prescribe any other procedures necessary to implement this subsection including requirements for posting notice of any deliveries.

Sec. 87.027. SIGNATURE VERIFICATION COMMITTEE. (a) Except as provided by Subsection (a-1), a signature verification committee may be appointed in any election. The early voting clerk is the authority responsible for determining whether a signature verification committee is to be appointed. If the clerk determines that a committee is to be appointed, the clerk shall issue a written order calling for the appointment.

(a-1) A signature verification committee shall be appointed in the general election for state and county officers on submission to the early voting clerk of a written request for the committee by at least 15 registered voters of the county. The request must be submitted not later than the preceding October 1, and a request submitted by mail is considered to be submitted at the time of its receipt by the clerk.

(b) The following authority is responsible for appointing the members of a signature verification committee:

(1) the county election board, in an election for which the board is established;

(2) the county chair, in a primary election; and

(3) the governing body of the political subdivision, in an election ordered by an authority of a political subdivision other than a county.

(c) Not later than the fifth day after the date the early voting clerk issues the order calling for the appointment of a signature verification committee, or not later than October 15 for a committee required under Subsection (a-1), the appropriate authority shall appoint the members of the committee and designate one of the

appointees as chair, subject to Subsection (d). The authority shall fill a vacancy on the committee by appointment as soon as possible after the vacancy occurs, subject to Subsection (d). The early voting clerk shall post notice of the name and residence address of each appointee. The notice must remain posted continuously for the period beginning the day after the date of the appointment and ending on the last day of the committee's operation in the election.

(d) The early voting clerk shall determine the number of members who are to compose the signature verification committee and shall state that number in the order calling for the committee's appointment. A committee must consist of not fewer than five members. In an election in which party alignment is indicated on the ballot, each county chair of a political party with a nominee or aligned candidate on the ballot shall submit to the appointing authority a list of names of persons eligible to serve on the signature verification committee in order of the county chair's preference. The authority shall appoint at least two persons from each list in the order of preference indicated on each list to serve as members of the committee. The same number of members must be appointed from each list. The authority shall appoint as chair of the committee the highest-ranked person on the list provided by the political party whose nominee for governor received the most votes in the county in the most recent gubernatorial general election. The authority shall appoint as vice chair of the committee the highest-ranked person on the list provided by the political party whose nominee for governor received the second most votes in the county in the most recent gubernatorial general election. A vacancy on the committee shall be filled by appointment from the original list or from a new list submitted by the appropriate county chair.

(e) To be eligible to serve on a signature verification committee, a person must be eligible under Subchapter C, Chapter 32, for service as a presiding election judge, except that the person must be a qualified voter:

- (1) of the county, in a countywide election ordered by the governor or a county authority or in a primary election;
- (2) of the part of the county in which the election is held, for an election ordered by the governor or a county authority that does not cover the entire county of the person's residence; or
- (3) of the political subdivision, in an election ordered by an authority of a political subdivision other than a county.

(f) The early voting clerk shall determine the place, day or days, and hours of operation of the signature verification committee and shall state that information in the order calling for the committee's appointment. A committee may not begin operating before the 20th day before election day.

(g) The early voting clerk shall post a copy of the order calling for the appointment of the signature verification committee. The copy must remain posted continuously for at least 10 days before the first day the committee meets.

(h) If a signature verification committee is appointed for the election, the early voting clerk shall deliver the jacket envelopes containing the early voting ballots voted by mail to the committee instead of to the early voting ballot board. Deliveries may be made only during the period of the committee's operation at times scheduled in advance of delivery by the early voting clerk. The clerk shall post notice of the time of each delivery. The notice must remain posted continuously for at least two days before the date of the delivery.

(i) The signature verification committee shall compare the signature on each carrier envelope certificate, except those signed for a voter by a witness, with the signature on the voter's ballot application to determine whether the signatures are those of the voter. The committee may also compare the signatures with any known signature of the voter on file with the county clerk or voter registrar to determine whether the signatures are those of the voter. Except as provided by Subsection (1), a determination under this subsection that the signatures are not those of the voter must be made by a majority vote of the committee's membership. The committee shall place the jacket envelopes, carrier envelopes, and applications of voters whose signatures are not those of the voter in separate containers from those of voters whose signatures are those of the voter. The committee chair shall deliver the sorted materials to the early voting ballot board at the time specified by the board's presiding judge.

(j) If a signature verification committee is appointed, the early voting ballot board shall follow the same procedure for accepting the early voting ballots voted by mail as in an election without a signature verification committee, except that the board may not determine whether a voter's signatures on the carrier envelope certificate and ballot application are those of the same person if

the committee has determined that the signatures are those of the same person. If the committee has determined that the signatures are not those of the same person, the board may make a determination that the signatures are those of the same person by a majority vote of the board's membership.

(k) Postings required by this section shall be made on the bulletin board used for posting notice of meetings of the commissioners court of a county that does not maintain an Internet website, in an election for which the county election board is established or a primary election, or of the governing body of the political subdivision in other elections.

(k-1) If the county maintains an Internet website, postings required by this section shall be made on the county's Internet website in an election for which the county election board is established or a primary election.

(l) If more than 12 members are appointed to serve on the signature verification committee, the early voting clerk may designate two or more subcommittees of not less than six members. If subcommittees have been designated, a determination under Subsection (i) is made by a majority of the subcommittee.

(m) If ballot materials or ballot applications are recorded electronically as provided by Section 87.126, the signature verification committee may use an electronic copy of a carrier envelope certificate or the voter's ballot application in making the comparison under Subsection (i).

(2) if possible, permit the voter to correct a defect using the online tool described by Section 86.015.

(f) The secretary of state may prescribe any procedures necessary to implement this section.

#### **SUBCHAPTER C. ACCEPTING EARLY VOTING BALLOT VOTED BY MAIL**

Sec. 87.041. ACCEPTING VOTER. (a) The early voting ballot board shall open each jacket envelope for an early voting ballot voted by mail and determine whether to accept the voter's ballot.

(b) A ballot may be accepted only if:

- (1) the carrier envelope certificate is properly executed;
- (2) neither the voter's signature on the ballot application nor the signature on the carrier envelope certificate is determined to have been executed by a person other than the voter, unless signed by a witness;
- (3) the voter's ballot application states a legal ground for early voting by mail;
- (4) the voter is registered to vote, if registration is

required by law;

(5) the address to which the ballot was mailed to the voter, as indicated by the application, was outside the voter's county of residence, if the ground for early voting is absence from the county of residence;

(6) for a voter to whom a statement of residence form was required to be sent under Section 86.002(a), the statement of residence is returned in the carrier envelope and indicates that the voter satisfies the residence requirements prescribed by Section 63.0011;

(7) the address to which the ballot was mailed to the voter is an address that is otherwise required by Sections 84.002 and 86.003; and

(8) the information required under Section 86.002(g) provided by the voter identifies the same voter identified on the voter's application for voter registration under Section 13.002(c)(8).

(c) If a ballot is accepted, the board shall enter the voter's name on the poll list unless the form of the list makes it impracticable to do so. The names of the voters casting ballots by mail shall be listed separately on the poll list from those casting ballots by personal appearance.

(d) A ballot shall be rejected if any requirement prescribed by Subsection (b) is not satisfied. In that case, the board shall indicate the rejection by entering "rejected" on the carrier envelope and on the corresponding jacket envelope.

(d-1) If a voter provides the information required under Section 86.002(g) and it identifies the same voter identified on the voter's application for voter registration under Section 13.002(c)(8), the signature on the ballot application and on the carrier envelope certificate shall be rebuttably presumed to be the signatures of the voter. The board shall compare signatures in making a determination under Subsection (b)(2) regardless of whether the presumption provided by this subsection exists.

(e) In making the determination under Subsection (b)(2), to determine whether the signatures are those of the voter, the board may also compare the signatures with any known signature of the voter on file with the county clerk or voter registrar.

(f) In making the determination under Subsection (b)(2) for a ballot cast under Chapter 101 or 105, the board shall compare the

signature on the carrier envelope or signature cover sheet with the signature of the voter on the federal postcard application.

(g) A person commits an offense if the person intentionally accepts a ballot for voting or causes a ballot to be accepted for voting that the person knows does not meet the requirements of Subsection (b). An offense under this subsection is a Class A misdemeanor.

(c) An application is considered submitted in the following calendar year for purposes of this section if:

- (1) the applicant is eligible to vote in an election occurring in January or February of the next calendar year; and
- (2) the application is submitted in the last 60 days of a calendar year but not earlier than the 60th day before the date of the January or February election.

(d) A timely application that is addressed to the wrong early voting clerk shall be forwarded to the proper early voting clerk not later than the day after the date it is received by the wrong clerk.

An application mailed from an Army/Air Force Post Office (APO) or Fleet Post Office (FPO) is considered placed in the United States mail. If the box and both seals are intact and the serial numbers correspond, the judge or designee shall break the seals, unlock the lock, and open the box.

(c) If any irregularities are discovered, the presiding judge shall take appropriate action in accordance with procedures prescribed by the secretary of state.

(d) The presiding judge of the counting station shall preserve both seals for the period for preserving the precinct election records.

(b) A group of test ballots shall be counted with the equipment using the program prepared for processing the ballots voted in the election. The test ballots must be printed on the same stock as the official ballots for the election.

(c) The group of test ballots must contain a predetermined number of valid votes for each candidate and for and against each proposition on the ballot for the election. The test group must also contain ballots with votes in excess of the allowable number and with other improper votes.

(d) The same test shall be administered each time the equipment is tested for the same election.

Sec. 127.097. CONDUCT OF SECOND TEST. (a) The automatic tabulating equipment may not be used to count ballots voted in the election until a test conducted under Section 127.093(c) is successful.

(b) If the initial test is unsuccessful, the presiding judge shall prepare a written record of the changes to the program, adjustments to the equipment, and other actions taken to achieve a successful test. The record shall be retained with the test materials.

(c) When a test is successful, the presiding judge shall certify in writing that a test was successful and the date and hour the test was completed. The certification shall be retained with the test materials.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.098. CONDUCT OF THIRD TEST; VOID BALLOT COUNT. (a) If the initial test conducted under Section 127.093(d) is unsuccessful, the count of ballots voted in the election obtained with the automatic tabulating equipment is void.

(b) If the initial test is successful, the automatic count of ballots voted in the election is valid for the purpose of certifying the election returns prepared at the central counting station. The presiding judge shall certify in writing that the initial test was successful and the date and hour the test was completed. The certification shall be retained with the test materials.

(c) If the ballot count is void under Subsection (a), the testing authorities shall follow the procedure prescribed by Section

127.097. When a test is successful, the ballots to be counted automatically shall immediately be counted. Immediately on completing the automatic count, the equipment shall again be tested, and if the initial test is successful the automatic count is valid for the purpose of certifying the election returns. Otherwise, the automatic ballot count is void.

(d) The procedure prescribed by Subsection (c) shall be repeated until a valid automatic count is obtained or the testing authorities determine that obtaining a valid automatic count is impracticable. In that case, the ballots shall be counted manually.

Sec. 127.099. SECURITY OF TEST MATERIALS. (a) On completing each test, the presiding judge shall place the test ballots and other test materials in a container provided for that purpose and seal the container so it cannot be opened without breaking the seal. The manager, tabulation supervisor, presiding judge, and not more than two watchers, if one or more watchers are present, shall sign the seal. The watchers must be of opposing interests if such watchers are present.

(b) The test materials shall remain sealed for the period for preserving the precinct election records.

(c) The container may not be unsealed unless the contents are necessary to conduct a test under this subchapter, a criminal investigation, election contest, or other official proceeding under this code. If the container is unsealed, the authority in charge of the proceeding shall reseal the contents when not in use.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.100. CUSTODY OF TEST MATERIALS. (a) The presiding judge is the custodian of the test materials until they are delivered under Subsection (b).

**SUBCHAPTER E. PROCESSING RESULTS AT CENTRAL COUNTING STATION**

Sec. 127.121. PROGRAMMER FOR TABULATING EQUIPMENT. (a) If the automatic tabulating equipment to be used for counting ballots at a central counting station requires the preparation of a program, the authority responsible for having the ballot prepared for the election shall appoint a programmer.

(b) Any person who has the competence required to prepare the program is eligible for appointment.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.122. APPROVAL OF PROGRAM. If a person other than the tabulation supervisor is appointed as the programmer, the program shall be submitted to the tabulation supervisor for approval not later than the 10th day before the date the automatic tabulating equipment for which the program is prepared is first used to count ballots voted in the election.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.123. SECURITY OF PROGRAM. (a) The tabulation supervisor shall protect the program prepared for the automatic tabulating equipment installed at the central counting station from tampering and unauthorized use, as prescribed by the secretary of state.

(b) After the automatic counting of ballots is completed, the program shall be sealed in the container for the secured test materials. The program shall remain in the sealed container for the same period as the test materials and may be unsealed only under the same conditions as the test materials.

(c) The secretary of state shall prescribe procedures for the security of programs for central counting station equipment for which compliance with this section is impracticable.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.1231. SECURITY OF AUTOMATIC TABULATING EQUIPMENT. (a) Except as provided by Subsection (b), the general custodian of election records shall ensure that any computer terminals located outside the central counting station that are capable of accessing the automatic tabulating equipment during the tabulation are capable of inquiry functions only and shall ensure that no modem access to the tabulating equipment is available during the tabulation.

(b) The secretary of state may prescribe procedures for the use of a system to allow results to be transmitted by a modem to the central counting station from units of automatic tabulating equipment located at a precinct polling place or at a regional tabulating center serving several precincts. The system must provide for a secure transmission of data. Results may not be transmitted under this subsection until the polls close on election day.

(b) The general custodian of election records in a county with a population of 100,000 or more shall implement a video surveillance system that retains a record of all areas containing voted ballots:

(1) from the time the voted ballots are delivered to the central counting station until the canvass of precinct election returns; and

(2) from the time the voted ballots are delivered to the signature verification committee or early voting ballot board until the canvass of precinct election returns.

(c) A video from a system implemented under Subsection (b) shall be made available to the public by a livestream.

(d) The video recorded is an election record under Section 1.012 and shall be retained by the general custodian of election records until the end of the calendar year in which an election is held or until an election contest filed in the county has been resolved, whichever is later.

Sec. 127.124. EARLY PROCESSING OF BALLOTS. (a) The authority adopting an electronic voting system for use in an election in which ballots are processed at a central counting station may provide by resolution, order, or other official action that processing the electronic system ballots will begin while the polls are open for voting on election day.

(b) The authority shall state in the official action the intervals during the day at which the ballots are to be delivered from the polling places to the central counting station for processing.

(c) The boxes in which the ballots are delivered to the counting station may be returned to the polling places for use in subsequent deliveries. If a box to be reused is a sealed ballot box authorized by Subchapter C, the authority responsible for distributing election supplies to the polling places, or the authority's designee, shall lock and seal the box at the counting station in the same manner as for the initial locking and sealing of the box and then deliver it to the appropriate polling place.

(d) The precinct election records shall be delivered to the central counting station in the last ballot box delivered from the polling place to the counting station.

(e) The authority may restrict early ballot processing to ballots voted at particular polling places by designating the polling places in the official action providing for the early processing. The authority may restrict the early processing to activities preparatory to the counting of ballots by stating in the official action the activities that are to be performed before the closing of the polls.

(f) Early processing of ballots under this section does not affect the time at which the results of the election may be disclosed.

(g) If the counting of ballots begins before the polls close, the provisions applicable to absences from the polling place by election officers while the polls are open apply to the personnel

serving at the central counting station. The presiding judge shall supervise the absences.

Sec. 127.125. PREPARING BALLOTS FOR AUTOMATIC COUNTING. (a) The manager of a central counting station shall have the ballots prepared for automatic counting.

(b) The manager shall have the ballots examined to detect any irregularly marked ballots and to determine whether the ballots to be counted automatically are ready for counting and can be properly counted. The manager shall have each irregularly marked ballot duplicated to indicate the intent of the voter if the voter's intent is clearly ascertainable, unless other law prohibits counting the vote. After making the appropriate determinations and taking the appropriate actions, the manager shall approve the ballots for counting.

(c) After the ballots are approved for counting, the manager shall deliver them to the tabulation supervisor or to the supervisor's designee.

(b) The valid portion of a partially invalid ballot may be duplicated on another ballot so that the valid portion can be automatically counted.

(c) If an electronic system ballot is damaged to the extent it cannot be automatically counted, the ballot may be duplicated so it can be automatically counted.

(d) A procedure other than duplication may not be used to process a ballot subject to this section unless the procedure is expressly authorized by the secretary of state.

(e) Each duplicate ballot must be clearly labeled "Duplicate"

and must bear the serial number of the original ballot.

(f) The duplicate shall be substituted for the original ballot in the ballots prepared for automatic counting. The original shall be preserved with the other voted ballots for the same period.

Sec. 127.127. OPERATING EQUIPMENT AND HANDLING BALLOTS RESTRICTED. A person other than the tabulation supervisor and the assistants to the tabulation supervisor may not operate the automatic tabulating equipment or handle the ballots that are automatically counted from the time the ballots are delivered to the tabulation supervisor for counting until the automatic counting is completed.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.128. BALLOTS TABULATED BY PRECINCT. The automatically counted ballots shall be separately tabulated according to election precinct.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.129. CORRECTION OF RESULTS AFTER EQUIPMENT MALFUNCTION. The secretary of state shall prescribe procedures for correcting results after the discovery of an equipment malfunction that caused the results to be incorrect.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 127.130. MANUAL COUNTING. (a) Electronic system ballots that are not to be counted automatically and the write-in votes not counted at the polling places shall be counted manually at the central counting station.

(b) If the automatic counting of electronic system ballots

becomes impracticable for any reason, the manager may direct that the ballots be counted manually at the central counting station.

(c) The procedure for manual counting is the same as that for regular paper ballots to the extent practicable. The manager is responsible for the manual counting of ballots at the central counting station.

(c-1) In any manual count conducted under this code, an irregularly marked vote on a ballot on which a voter indicates a vote by making a mark on the ballot is considered in the same manner as provided by Section 65.009.

Sec. 127.1301. CENTRALLY COUNTED OPTICAL SCAN BALLOTS. (a) In an election using centrally counted optical scan ballots, the undervotes and overvotes on those ballots shall be tallied, tabulated, and reported by race and by election precinct in the form and manner prescribed by the secretary of state.

(b) An authority operating a central counting station under this chapter may only purchase or use a ballot scan system if the system is only capable of using a data transfer media device that:

(1) once a cast vote record is written, is incapable of being modified without automatic:

(A) detection of the modification; and

(B) rejection of the cast vote record; and

(2) does not allow for the process under Subdivision (1) to be overridden or circumvented.

(c) An authority that purchases system components in order to comply with this section is eligible to have 100 percent of the cost

of those system components reimbursed.

(d) Subsection (b) applies starting on the earlier of:

- (1) the date on which the state certifies the first centrally counted optical ballot scan system under this section; or

Sec. 127.131. PREPARING RETURNS. (a) After the automatic counting of ballots for each precinct is completed, the presiding judge of the central counting station shall prepare the election returns for that precinct and sign the returns to certify their accuracy.

(b) In addition to the results of the automatically counted votes, the returns must include the results of the manually counted votes.

(c) The same number of copies of the returns shall be prepared as for a precinct polling place using regular paper ballots.

(d) The returns may not be certified until a valid automatic count is obtained or a manual count is completed, as appropriate.

(e) If the automatic tabulating equipment produces a printout that contains all information required to appear on the election returns, the printout with the addition of the manually counted votes constitutes the return.

(f) The presiding judge of the central counting station shall provide and attest to a written reconciliation of votes and voters at the close of tabulation for election day and again after the central counting station meets for the last time to process late-arriving ballots by mail and provisional ballots. The secretary of state shall create and promulgate rules and a form to facilitate compliance with this subsection. The form shall be posted on a website

Sec. 127.132. DISPOSITION OF BALLOTS, RETURNS, AND OTHER RECORDS. (a) The presiding judge of a central counting station shall distribute the voted ballots, election returns, and other election records from the counting station to the appropriate authorities.

(b) The voted ballots, election returns, poll list, tally lists for manually counted votes, and other election records shall be delivered to the authorities who receive the corresponding records from precinct polling places using regular paper ballots.

(c) The election records delivered to the general custodian of election records may be delivered in any container approved by the secretary of state for that purpose.

#### **SUBCHAPTER F. PROCESSING RESULTS IN SYSTEM WITHOUT CENTRALIZED COUNTING**

Sec. 127.151. APPLICABILITY OF SUBCHAPTER; PROCEDURES PRESCRIBED BY SECRETARY OF STATE. (a) This subchapter applies to the processing of election results in electronic voting systems that

do not entail the counting of ballots at central locations established under Subchapter A.

(b) An electronic voting system used under this subchapter must require voters to deposit the ballots directly into a unit of automatic tabulating equipment. The tabulating equipment shall be programmed to return an irregularly marked ballot to the voter.

(c) The secretary of state shall prescribe any necessary procedures, in addition to those prescribed by this subchapter, for processing the election results.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1987, 70th Leg., ch. 484, Sec. 8, eff. Sept. 1, 1987; Acts 2001, 77th Leg., ch. 1054, Sec. 9, eff. Sept. 1, 2001.

Sec. 127.152. TEST OF TABULATING EQUIPMENT REQUIRED. (a) Each unit of automatic tabulating equipment shall be tested, using all applicable ballot formats, in accordance with the testing procedures prescribed by Subchapter D to the extent those procedures can be made applicable.

(b) The general custodian of election records shall conduct the first test. The presiding election judge shall conduct the second and third tests at the polling place. If the second and third tests are not conducted in accordance with this subsection, the automatic tabulating equipment shall be used to count the ballots at a central location in accordance with Subchapter A unless the secretary of state determines that a particular test at the polling place is not feasible for the automatic tabulating equipment.

(c) The general custodian of election records shall preserve the test materials for at least one year after election day or for at least 22 months after election day for an election involving a federal office.

Added by Acts 1987, 70th Leg., ch. 484, Sec. 8, eff. Sept. 1, 1987.

Sec. 127.153. TEST REPEATED IF EQUIPMENT MALFUNCTIONS. If the tabulating of ballots must be restarted because of an equipment or system malfunction or any other reason, the tests required by Section 127.152 shall be repeated.

Added by Acts 1987, 70th Leg., ch. 484, Sec. 8, eff. Sept. 1, 1987.

Sec. 127.154. IDENTIFICATION NUMBERS REQUIRED FOR EQUIPMENT.

(a) Each unit of automatic tabulating equipment must have a permanent identification number. Each part of that equipment that contains the ballot tabulation must also have a permanent identification number.

(b) Each of the identification numbers shall be recorded on the appropriate ballot and seal certificate.

(c) A ballot tabulation produced by automatic tabulating equipment that does not comply with Subsection (a) may not be used.

Added by Acts 1987, 70th Leg., ch. 484, Sec. 8, eff. Sept. 1, 1987.

Sec. 127.155. PRESIDING JUDGE TO SIGN TAPE. (a) The presiding judge shall sign any tape containing the ballot tabulation that is produced by the automatic tabulating equipment.

(b) The presiding judge shall retain a copy of the tape.

Added by Acts 1987, 70th Leg., ch. 484, Sec. 8, eff. Sept. 1, 1987.

Sec. 127.156. TABULATION AT CENTRAL COUNTING STATION IF DISCREPANCY EXISTS IN BALLOT TOTALS. If a discrepancy of more than three exists between the number of ballots recorded on the ballot and seal certificate and the number of ballots cast on the tape containing the ballot tabulation that is produced by the automatic tabulating equipment, the official tabulation of those ballots shall be conducted at a central counting station.

Added by Acts 1987, 70th Leg., ch. 484, Sec. 8, eff. Sept. 1, 1987.

Sec. 127.157. PROCESSING IRREGULARLY MARKED BALLOTS. (a) This section applies only to a voting system that allows voters to deposit the ballots directly into a unit of automatic tabulating equipment.

(b) While the polls are open or as soon as practicable after the polls close, the counted ballots shall be removed from the ballot box and examined for irregularly marked ballots. The ballot box may

not be opened for the purpose of examining the ballots unless there are at least 10 ballots in the box.

(c) If an election officer determines that two or more ballots were improperly tabulated because of irregular marks, the irregularly marked ballots shall be separated from the ballots that were marked properly, and all of the ballots shall be delivered to a central counting station.

(d) At the central counting station, the irregularly marked ballots shall be duplicated, and the ballots shall be processed in accordance with Section 127.126. The duplicate ballots shall be automatically counted with the remainder of the ballots at the central counting station. The tabulation conducted at the central counting station is considered to be the official tabulation for those ballots.

(e) If only one ballot has been improperly tabulated because of an irregular mark, the ballot shall be placed in an envelope as prescribed by the secretary of state. The envelope must include the irregularly marked ballot and a form that identifies the nature and date of the election, ballot serial number, and applicable offices. The envelope shall be delivered to a central counting station. At the central counting station, the ballot shall be examined and adjustments shall be made to the totals certified by the election judge to indicate the intent of the voter. The election results for the affected precinct shall be manually entered into the election processing system, but the original election returns may not be altered. The envelope containing the ballot and form shall be placed in the ballot box with the regular voted ballots and shall be preserved with those ballots for the same period.

Added by Acts 1991, 72nd Leg., ch. 632, Sec. 1, eff. Sept. 1, 1991.

#### **SUBCHAPTER H. ADDITIONAL COUNT OF ELECTRONIC VOTING SYSTEM BALLOTS**

Sec. 127.201. PARTIAL COUNT OF ELECTRONIC VOTING SYSTEM BALLOTS BY GENERAL CUSTODIAN. (a) To ensure the accuracy of the tabulation of electronic voting system results, the general custodian of election records shall conduct a manual count of all the races in at least one percent of the election precincts or in three precincts, whichever is greater, in which the electronic voting system was used. The custodian shall select the precincts at random and shall begin

(2) is not capable of being connected to the Internet or any other computer network or electronic device.

(b) Except as otherwise provided by this section, a voting system that consists of direct recording electronic voting machines may not be used in an election unless the system is an auditable voting system.

(c) The electronic vote is the official record of the vote cast if a risk-limiting audit conducted under Section 127.302 produces strong evidence that the reported outcome of the election matches the results that a full counting of the paper records would reveal.

(d) The paper record is the official record of the vote cast:

(1) for a recount under Title 13, including a recount of ballots cast on a system involving direct recording electronic voting machines;

(2) for an election contest under Title 14; or

(3) if a risk-limiting audit conducted under Section 127.302 fails to produce strong evidence that the reported outcome of the election matches the results that a full counting of the paper records would reveal.

(e) An authority that purchased a voting system other than an auditable voting system after September 1, 2014, and before September 1, 2021, may use available federal funding and, if federal funding is not available, available state funding to convert the purchased voting system into an auditable voting system in accordance with the following schedule:

(1) if the voting system was converted into an auditable voting system not later than the election taking place November 8, 2022, the authority is eligible to have 100 percent of the cost of

conversion reimbursed under this section; and

(2) if the authority is not eligible for a 100 percent reimbursement of cost under Subdivision (1) and the voting system was converted into an auditable voting system not later than the election taking place November 3, 2026, the authority is eligible to have 50 percent of the cost of conversion reimbursed under this section.

(f) The secretary of state may use any available funds to assist an authority with the purchase of an auditable voting system if the funds have been appropriated for that purpose.

(g) Subsections (b), (c), and (d) do not apply to an election held before September 1, 2026.

(h) A paper record generated by an auditable voting system may be used only for the purposes described by this section and may not be retained by the voter.

(i) Notwithstanding Subsection (b), a voter voting under Section 64.009 may use a direct recording electronic voting machine regardless of whether the direct recording electronic voting machine is part of an auditable voting system.

(j) The secretary of state may not waive any requirements of this section.

Added by Acts 2021, 87th Leg., R.S., Ch. 573 (S.B. 598), Sec. 2, eff. September 1, 2021.

(b) Not later than 48 hours before voting begins on a voting system, the general custodian of election records shall conduct a logic and accuracy test. Public notice of the test must be published on the county's Internet website, if the county maintains an Internet website, or on the bulletin board used for posting notice of meetings of the commissioners court if the county does not maintain an Internet website, at least 48 hours before the test begins, and the test must be open to the public.

- (6) calculate the expected results from the test ballots;
- (7) ensure that each voting machine has any public counter reset to zero and presented to the testing board for verification before testing;
- (8) require that, for each feature of the system that allows disabled voters to cast a ballot, at least one vote be cast and verified by a two-person testing board team using that feature; and
- (9) require that, when all votes are cast, the general custodian of election records and the testing board observe the tabulation of all ballots and compare the actual results to the expected results.

(c-1) A test conducted under this section must also require the general custodian of election records to demonstrate, using a representative sample of voting system equipment, that the source code of the equipment has not been altered.

(d) A test is successful if the actual results are identical to the expected results.

(e) To provide a full and accurate account of the condition of a given voting machine, the testing board and the general custodian of election records shall:

- (1) sign a written statement attesting to:

(d) A withdrawal request filed by mail is considered to be filed at the time of its receipt by the appropriate authority.

(e) The signer must deliver a copy of the withdrawal request to the candidate when the request is filed.

(f) The filing of an effective withdrawal request nullifies the

signature on the petition and places the signer in the same position as if the signer had not signed the petition.

(g) If the withdrawal of a signature reduces the number of signatures on the petition below the prescribed minimum for the petition to be valid, the authority with whom the request is filed shall notify the candidate immediately by telephone, telegram, or an equally or more expeditious method of the number of withdrawn signatures. (f) A candidate for an office that is affected by an estimate or by a determination made under Subsection (e) may challenge the accuracy of the estimate or determination by filing a petition, stating the ground of the challenge, in a district court having general jurisdiction in the territory involved. Sec. 172.126. JOINT PRIMARIES AUTHORIZED. (a) The primary elections in a county may be conducted jointly at the regular polling places designated for the general election for state and county officers. The county clerk shall supervise the overall conduct of the joint primary elections. This section applies to the conduct of joint primary elections notwithstanding and in addition to other applicable provisions of this code. The decision to conduct a joint general primary election or runoff primary election, as applicable, must be made by majority vote of the full membership of the commissioners court and with the unanimous approval of the county clerk and the county chair of each political party required to nominate candidates by primary election.

(b) The county clerk shall determine whether to consolidate election precincts under Section 42.009 and shall designate the location of the polling place in a consolidated precinct. To the extent possible, a polling place shall be designated that will accommodate the precinct conventions of each political party. If a polling place, whether for a regular or consolidated precinct, is not suitable for more than one precinct convention, the polling place may be used by the party whose candidate for governor received the most votes in the county in the most recent gubernatorial general election.

(c) One set of election officers shall conduct the primary elections at each polling place. Not later than the second Monday in December preceding the primary elections, each county chair shall deliver to the county clerk a list of the names of the election judges and clerks for that party. The presiding judge of each party, or alternate judge if applicable, serves as a co-judge for the precinct. If an eligible presiding co-judge and alternate co-judge

cannot be found to serve for a particular party in a precinct, a joint primary may not be conducted in that precinct, and that precinct must be consolidated with another precinct that has an eligible presiding co-judge and alternate co-judge to serve for each party. The county clerk shall appoint the election clerks in accordance with rules prescribed by the secretary of state. The secretary of state shall prescribe the maximum number of clerks that may be appointed for each precinct. The early voting ballot board and any central counting station shall also be composed of and administered by one set of election officers that provides representation for each party, and the secretary of state by rule shall prescribe procedures consistent with this subsection for the appointment of those officers.

(d) Each co-judge has the law enforcement duties and powers provided under Section 32.075. Each co-judge has the exclusive authority to conduct challenges on the eligibility of voters, tabulate the votes, and deliver the election returns in the primary of the party with which that judge is affiliated or aligned.

(e) The county clerk shall obtain the candidates' names that are to appear on the primary ballot, office sought, and candidate and office ballot order from the certified list on the secretary of state's website.

(f) The county clerk shall determine the ballot format and voting system for each election precinct and shall procure the election equipment and supplies.

(g) A separate set of ballot boxes or other suitable containers approved by the secretary of state shall be used for each party's primary, except that one set of ballot boxes or other containers may be used in a joint primary using an electronic voting system in which the ballots are deposited by the voters directly into a unit of automatic tabulating equipment. The lists of registered voters and the voters' registration certificates shall be marked and stamped to show the appropriate party affiliation for each voter. A separate list of registered voters shall be used for each party's primary. The secretary of state by rule shall prescribe requirements to ensure that one party's ballot is readily distinguished from another's, which may include the use of different colors of ink.

(g-1) A voter shall be allowed privacy to the extent possible when indicating the voter's choice as to which political party's primary the voter chooses to vote in. A voter may indicate, without

verbalizing, the voter's choice by pointing to which party's ballot the voter chooses. The secretary of state shall prescribe a sign to inform voters of this option, and the co-judges of each polling place shall post the sign beside the signature roster.

(h) Separate election returns shall be prepared for each party's primary and shall be canvassed as provided by this code.

(i) The secretary of state by rule shall prescribe the procedures necessary to implement this section to ensure the orderly and proper administration of joint primary elections.

(b) The presiding judge or alternate presiding judge for the precinct may post signs at a polling place for a primary election or a primary runoff election that:

- (1) identify the names of, or symbols representing, any political parties holding an election at the polling place; and
- (2) do not refer to a candidate or measure on the ballot.

(c) The county clerk may combine voting precincts for an election held under this section to the extent necessary to adequately serve the voters.

(d) Voting shall be conducted at least during the hours that the county clerk's main business office is regularly open for business.

(e) The election returns for an election held under this section shall be delivered to the state chair of the applicable political party.

(f) A precinct convention is not required to be held following a primary election conducted under this section.

(g) A contract for election services entered into under this section shall provide that the county shall be eligible to be reimbursed for primary election expenses in the same manner a county chair would be reimbursed under Subchapter D, Chapter 173.

(b) The state chair must notify the county chair or county executive committee in writing or electronically that a duty has been performed under the authority of this section.

(c) If a county chair has a reasonable impediment or lacks appropriate technology to perform any administrative duty of the county chair related to the conduct of a primary election within the time required by law, the county chair may request that the state chair, or the state chair's designee, perform the duty instead of the county chair.

(b) A candidate for nomination or election to an office may obtain an initial recount of electronic voting system results in an election in which the person was a candidate only if the candidate is shown by the election returns not to be nominated or elected. However, a candidate shown to be nominated or elected may obtain an initial recount if an opposing candidate's initial recount petition is approved for a recount that is covered by Section 212.131(c) and that does not include all of the voting system precincts in the election.

(b) In an election for which there is only one canvassing authority and which is canvassed jointly with another election, a recount petition must be submitted to the presiding officer of the authority designated by law as the canvassing authority for the election rather than the presiding officer of the canvassing authority designated by the joint election agreement.

(c) In an election for which a final canvass is made by a canvassing authority at the state level, a recount petition must be submitted to the presiding officer of the final canvassing authority.

(d) In an election for which there is more than one local canvassing authority and no final canvass at the state level, a recount petition must be submitted to the presiding officer of each local canvassing authority within whose jurisdiction a recount is desired.

(e) In a general election for governor or lieutenant governor, a recount petition must be submitted to the secretary of state.

(f) If the presiding officer of a local canvassing authority is ineligible or unable to serve as recount coordinator, the timely submission of a recount petition to that officer instead of the person substituting as the recount coordinator does not make the petition invalid. In that case, the presiding officer shall promptly deliver the petition to the substitute coordinator.

The recount coordinator shall immediately notify the recount supervisor of the approval. The recount supervisor shall, with the written approval of the recount coordinator, order the recount to be held on the later of the seventh day after the date the petition is determined to comply with the applicable requirements or the day after all ballots have been delivered to the general custodian of election records.

(b) If the petition does not comply with the applicable requirements, the recount coordinator shall determine whether it is

correctable by amendment. If the petition is not correctable, the coordinator shall reject the petition. If the petition is correctable, the coordinator shall delay acting on the petition until the deadline for amending it. If at that time the petition is not corrected, the coordinator shall reject the petition.

Sec. 212.034. COUNTING ERRORS AS GROUND FOR RECOUNT IN PAPER

BALLOT PRECINCTS. (a) To obtain a recount on the ground of counting errors in election precincts in which paper ballots were used, a person must attach to the recount petition an affidavit or affidavits from one or more presiding judges of the election stating that certain votes cast for the office or measure, as applicable, were either counted or not counted, as appropriate, with a brief description of the circumstances involved. At the same time the recount petition is submitted to the recount coordinator, the petitioner must deliver a copy of the recount petition and each affidavit to each opposing candidate or to the campaign treasurer of each specific-purpose political committee that was involved in the election on the measure, as appropriate, and to the secretary of state. The copies must be delivered personally or by registered or certified mail, return receipt requested.

(b) The recount coordinator shall delay final action on a recount petition submitted with an attached affidavit under Subsection (a) pending receipt of the secretary of state's certification.

(c) Any opposing candidate or any person listed in Section 212.023(b), 212.0231, or 212.024(b), as appropriate, is entitled to submit to the secretary of state an affidavit contradicting statements made in an affidavit submitted by the petitioner. A contradicting affidavit must be received by the secretary of state not later than the third day after the date the copy of the recount petition and each affidavit is received by the secretary.

(d) A recount on the ground of counting errors may be obtained if the secretary of state determines from uncontradicted statements, based on undisputed facts, in an affidavit submitted by the petitioner and from the election returns that certain votes cast for the office or measure, as applicable, clearly were erroneously counted or not counted, as appropriate, and that without the errors the petitioner possibly would have received the vote necessary to gain or tie for nomination, election, or entitlement to a place on a runoff ballot or the petitioner's side on a measure possibly would have received the most votes, as applicable. The secretary may not make the determination if the facts are disputed or raise unresolved legal questions as to whether counting errors occurred.

(e) Not earlier than the fourth or later than the fifth day after the date the copy of the recount petition and each affidavit is received by the secretary of state, the secretary shall deliver

For a county or precinct office in a primary election, the county chair may order the new recount only on the approval of the state chair.

(b) The affidavit must be received by the recount coordinator within 48 hours after the determination of the results of the initial recount.

(c) Notice of the new recount shall be given in the manner prescribed by Section 213.009 for an initial recount.

(d) The new recount must begin not later than the seventh day after the date the notice is given.

Sec. 213.013. REPRESENTATION OF PARTIES AND POLITICAL PARTIES AT RECOUNT. (a) Each person entitled to notice of the recount under Section 213.009 is entitled to be present at a recount.

(b) In a recount of an election on an office, each candidate for the office is entitled to be present at the recount and have watchers present in the number corresponding to the number of counting teams designated for the recount. If only one counting team is designated or the recount is conducted on automatic tabulating equipment, each candidate is entitled to two watchers.

(c) In a recount of an election on an office for which a political party has a nominee or for which a candidate is aligned with a political party, the party is entitled to have watchers present in the same number prescribed for candidates under Subsection (b).

(d) In a recount of an election on a measure, watchers may be appointed by the campaign treasurer or assistant campaign treasurer of a specific-purpose political committee that supports or opposes the measure in the number corresponding to the number of counting teams designated for the recount. (6) an indication of the capacity in which the appointing authority is acting.

(g) If the watcher is accepted for service, the recount committee chair shall keep the certificate and deliver it to the recount coordinator after the recount for preservation under Section 211.007. If the watcher is not accepted for service, the recount committee chair shall return the certificate to the watcher with a signed statement of the reason for the rejection.

(h) Each person entitled to be present at a recount is entitled to observe any activity conducted in connection with the recount. The person is entitled to sit or stand conveniently near the officers conducting the observed activity and near enough to an officer who is announcing the votes or examining or processing the ballots to verify that the ballots are counted or processed correctly or to an officer who is tallying the votes to verify that they are tallied correctly. Rules concerning a watcher's rights, duties, and privileges are otherwise the same as those prescribed by this code for poll watchers to the extent they can be made applicable.

(i) No device capable of recording images or sound is allowed inside the room in which the recount is conducted, or in any hallway or corridor in the building in which the recount is conducted within 30 feet of the entrance to the room, while the recount is in progress unless the person entitled to be present at the recount agrees to disable or deactivate the device. However, on request of a person

entitled to appoint watchers to serve at the recount, the recount committee chair shall permit the person to photocopy under the chair's supervision any ballot, including any supporting materials, challenged by the person or person's watcher. The person must pay a reasonable charge for making the copies and, if no photocopying equipment is available, may supply that equipment at the person's expense. The person shall provide a copy on request to another person entitled to appoint watchers to serve at the recount.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.032. NOTICE OF PARTIAL INITIAL RECOUNT. After receiving the recount committee's report of a partial initial recount, the recount supervisor shall promptly give notice of the result of the recount to each person entitled to notice of the recount under Section 213.009.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.033. CANVASS FOLLOWING RECOUNT. (a) As soon as practicable after completion of a recount that changes the number of votes received for a particular candidate or for or against a measure, the canvassing authority shall conduct a canvass for the office or measure involved using the recount committee's report in

the recount supervisor's possession, instead of the original precinct election returns, for each precinct in which a recount was conducted. An original canvass for the office or measure is void, and the new canvass is the official canvass for the election on that office or measure. If no change occurs in the recount in the number of votes received for a candidate or for or against a measure, the official result of the election is determined from the original canvass.

(b) In a recount of an election in which there is more than one local canvassing authority, the result of the canvass conducted under this section shall be reported to the other canvassing authorities in the same manner as the result of an original canvass.

(c) The appropriate authority shall take any further action that may be necessary in the same manner as for an original canvass.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1987, 70th Leg., 2nd C.S., ch. 59, Sec. 15, eff. Oct. 20, 1987; Acts 1993, 73rd Leg., ch. 759, Sec. 2, eff. Sept. 1, 1993.

#### **SUBCHAPTER C. ELECTIONS WITH STATE LEVEL CANVASS**

Sec. 213.051. APPLICABILITY OF SUBCHAPTER. This subchapter applies to recounts in elections for which there is a final canvass at the state level.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.052. AGENT FOR RECEIVING NOTICE OF RECOUNT. (a) If a recount includes election precincts in the jurisdiction of more than one local canvassing authority, a person entitled to notice under Section 212.032 may designate an agent for any one or more of the jurisdictions to receive the notice required by Section 213.009(b).

(b) The recount coordinator shall ascertain whether a person notified under Section 212.032 desires to appoint agents under Subsection (a) and, if so, each agent's name, address, and telephone number.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.053. NOTICE OF RECOUNT TO SUPERVISOR. The recount

coordinator shall give each recount supervisor involved in a recount notice of:

(1) the precincts in the supervisor's jurisdiction included in the recount and any other pertinent information concerning the recount; and

(2) the name, address, and telephone number of each person to be notified of the recount under Section 213.009.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.054. NOTICE OF RECOUNT RESULT TO COORDINATOR. After receiving the recount committee's report, the recount supervisor shall promptly notify the recount coordinator of the result of the recount.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.055. SUPERVISOR'S REPORT. (a) As soon as practicable after receiving the recount committee's report, the recount supervisor shall prepare and sign a report of the vote count by precinct in the supervisor's jurisdiction, using the recount committee's report for the precincts recounted and the original precinct election returns for the precincts not recounted.

(b) The report prepared under this section is the official statement of the vote count in the local canvassing authority's jurisdiction.

(c) On completion of the report required by this section, the recount supervisor shall deliver one copy to the recount coordinator and one copy to the general custodian of election records. The copies shall be preserved for the period for preserving the precinct election records.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.056. DETERMINATION OF RESULT OF RECOUNT; NOTICE. (a) After receiving the notices of the results of a recount from all the recount supervisors, the recount coordinator shall promptly determine the result of the recount.

(b) The recount coordinator shall give notice of the result of the recount to:

(1) the petitioner and each person entitled to notice under Section 212.032, for an initial recount or an expedited recount; and

(2) the petitioner, the applicant, and any other person entitled to notice under Section 212.032, for a supplementary recount.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 213.057. CANVASS FOLLOWING RECOUNT. As soon as practicable after completion of a recount that changes the number of votes received for a particular candidate or for or against a measure, the final canvassing authority shall conduct a canvass for the office or measure involved using the recount supervisor's report, instead of the original county election returns, for each county in which a recount was conducted. An original final canvass for the office or measure is void, and the new final canvass is the official final canvass for the election on that office or measure. If no change occurs in the recount in the number of votes received for a candidate or for or against a measure, the official result of the election is determined from the original final canvass.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1987, 70th Leg., 2nd C.S., ch. 59, Sec. 16, eff. Oct. 20, 1987; Acts 1993, 73rd Leg., ch. 759, Sec. 3, eff. Sept. 1, 1993.

Sec. 213.058. CANVASS FOLLOWING EXPEDITED RECOUNT. (a) Unless a person entitled to notice under Section 213.056 makes an objection to the recount coordinator before the canvass resulting from a recount, the final canvassing authority may use results reported to the recount coordinator by telephone or telegraph under Section 213.054 as the basis for its canvass following an expedited recount if the orderly conduct of a runoff election would be disrupted by delaying the canvass until the recount supervisors' written reports are received.

(b) If an objection is made under Subsection (a), the recount coordinator shall ascertain the grounds for the objection and shall verify with the appropriate recount supervisor each result to which

objection is made. If the verification changes the overall result as originally determined by the coordinator, the coordinator shall give notice of the change to the persons entitled to receive the original notice of the result and shall continue the verification process until no objection exists. The canvass may then be conducted on the basis of telephone or telegraph reports as verified.

(c) If a canvass is conducted on the basis of results reported by telephone or telegraph, on receiving a recount supervisor's written report, the recount coordinator shall compare the report with the result used in the canvass. If a discrepancy exists, the coordinator shall ascertain the correct vote count from the supervisor. The supervisor shall deliver a corrected written report to the coordinator if the original written report is incorrect.

(d) If a discrepancy that affects the outcome of the election is discovered in the comparison made under Subsection (c), the recount coordinator shall immediately call a meeting of the canvassing authority or notify the governor, as applicable, to conduct another canvass and shall take the necessary action for correction of the ballots for the runoff election. If discovered discrepancies do not affect the outcome, the coordinator shall correct the canvassing authority's vote tabulation to conform to the written reports.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1987, 70th Leg., 2nd C.S., ch. 59, Sec. 17, eff. Oct. 20, 1987; Acts 1989, 71st Leg., ch. 163, Sec. 6, eff. Sept. 1, 1989; Acts 1993, 73rd Leg., ch. 759, Sec. 4, eff. Sept. 1, 1993.

Sec. 213.059. GENERAL ELECTION FOR GOVERNOR OR LIEUTENANT GOVERNOR. (a) A recount in a general election for the office of governor or lieutenant governor shall be conducted in the same manner as a recount of a general election for a state office in which the final canvass is made by the governor, except as provided by this section.

(b) The governor is considered to be the final canvassing authority for the election and the secretary of state's tabulation of the county election returns is considered to be the declaration of the official result.

(c) The recount supervisor shall deliver two copies of the

report prepared under Section 213.055 to the secretary of state. The secretary shall use one copy for the tabulation of the votes after the recount is completed. The secretary shall deliver the other copy to the speaker of the house of representatives.

Sec. 214.002. COUNTING PROCEDURE. (a) One member of a counting team shall read the ballots, and the other two members shall tally the votes as the ballots are read.

(b) The count shall be made, and the correctness of the tally lists shall be certified, in the same manner as an original count of regular paper ballots, except that only two tally lists are prepared.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1993, 73rd Leg., ch. 728, Sec. 76, eff. Sept. 1, 1993.

Amended by:

Sec. 214.003. DISPOSITION OF TALLY LISTS. (a) On completion of the count for a precinct, a member of the counting team shall place one tally list in the ballot box containing the voted ballots and shall deliver the other tally list to the recount committee chair.

(b) The recount committee chair shall use the tally list received from the counting team in preparing the committee report of the recount. The chair shall attach the tally list to the copy of

the committee report that is to be delivered to the recount supervisor. The attached tally list is part of the report.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1997, 75th Leg., ch. 864, Sec. 220, eff. Sept. 1, 1997.

#### **SUBCHAPTER C. BALLOTS COUNTED BY AUTOMATIC TABULATING EQUIPMENT**

Sec. 214.041. APPLICABILITY OF SUBCHAPTER. (a) This subchapter applies to a recount of electronic voting system ballots on automatic tabulating equipment.

(b) In this subchapter, "electronic recount" means a recount on automatic tabulating equipment.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 214.042. COUNTING METHOD FOR RECOUNT. (a) A person requesting a recount of electronic voting system ballots has a choice of:

- (1) an electronic recount using the same program as the original count;
- (2) an electronic recount using a corrected program under Section 214.046(c), if obtainable; or
- (3) a manual recount as provided by Subchapter A.

(b) The same counting method must be used in all precincts included in the recount document for which the same program was used in the original count.

(c) Unless a different counting method is requested, the ballots shall be counted electronically using the same program as the original count.

(d) Except as otherwise provided by this subchapter, a request for a specific counting method must be made in the recount document, specifying the precincts to which the request applies if it does not apply to all precincts in which electronic voting system ballots are to be recounted.

(e) After a recount document is approved, the person requesting the recount may change the counting method specified in the document by filing with the appropriate recount supervisor a written request for a different method before the supervisor gives notice of the time and place for beginning the recount. If the requested change is to a

manual recount, the request must be accompanied by a cashier's check payable to the recount coordinator in the amount of the difference between the amount of the deposit for a manual recount and the amount for an electronic recount.

(f) If a recount supervisor who receives a request for a change to a manual recount under Subsection (e) is not also the recount coordinator, the supervisor shall notify the coordinator of the change and shall deliver the accompanying check to the coordinator.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1987, 70th Leg., 2nd C.S., ch. 59, Sec. 18, eff. Oct. 20, 1987.

Sec. 214.043. EQUIPMENT USED FOR RECOUNT. (a) The recount supervisor shall designate the automatic tabulating equipment to be used for an electronic recount in precincts in the supervisor's jurisdiction.

(b) A recount of ballots originally counted on automatic tabulating equipment at a polling place must be made on the same or a similar unit of equipment unless the person requesting the recount requests that other equipment be used.

(c) A recount of ballots originally counted at a central counting station must be made on the same equipment unless:

(1) the equipment is unavailable or is not in usable condition; or

(2) the person requesting the recount requests that other equipment be used.

(d) If the equipment used for the original count is available and in usable condition, the recount supervisor is not required to grant a request that the recount be made on different equipment unless the request is contained in the recount document or in a written request filed with the supervisor before the supervisor gives notice of the time and place for beginning the recount.

(e) Equipment other than that used for the original count must:

(1) be located at a site that complies with Section 127.001(c) unless all persons entitled to notice of the recount consent to a site that does not comply; and

(2) be approved by:

(A) the programmer for the election if the ballots were counted at a polling place and the unit to be used for the recount

was not used in the election; or

(B) the programmer for the election or the tabulation supervisor of the central counting station at which the ballots were counted, if counted at a central counting station.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 214.044. CHARGE FOR USE OF EQUIPMENT. The person having control of the automatic tabulating equipment used in the original count shall make it available for a recount for a reasonable charge at a rate not to exceed the rate charged for its use in the election being recounted. If the equipment is owned or leased by the authority responsible for the expenses of the election, a charge may not be made for its use in the recount.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 214.045. COMPOSITION OF COMMITTEE. (a) The recount committee chair shall designate one member of the recount committee for an electronic recount to operate the automatic tabulating equipment. In this subchapter, "recount tabulator" means the member designated to operate the equipment.

(b) In a recount of ballots originally counted at a central counting station, the recount tabulator must be the tabulation supervisor of the station, an assistant to the supervisor, or a person approved by the supervisor.

(c) In a recount of ballots originally counted at a polling place, the recount tabulator must be a person who has served as an election officer at a polling place using the type of equipment on which the recount is made and must have had experience in operating the equipment.

(d) At least one member of the recount committee other than the recount tabulator must have had experience in operating the type of equipment on which the recount is made.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1997, 75th Leg., ch. 864, Sec. 223, eff. Sept. 1, 1997.

Sec. 214.046. TEST OF PROGRAM AND EQUIPMENT. (a) After the time set for beginning an electronic recount but before the recount is made, the recount tabulator shall conduct a test of the program and equipment in the same manner as the test that is conducted immediately before an original count of ballots for an election. Each person entitled to notice of the recount or the person's representative at the recount is entitled to examine the program and the test materials on request.

(b) If the test is unsuccessful, the recount tabulator shall notify the recount committee chair, who shall notify the recount supervisor, and the supervisor shall investigate the cause of the test's failure. The electronic recount may not proceed until a test is successful on the equipment used for the first test or on other equipment selected by the supervisor.

(c) If the recount supervisor determines that the program is defective, the supervisor shall inform the person requesting the recount or the person's agent. The person requesting the recount may notify the supervisor:

(1) to have the ballots recounted manually; or

(2) to attempt to correct the program so that an electronic recount may be conducted with the corrected program.

(d) A recount using a corrected program may not be made unless the tabulation supervisor of the central counting station or the presiding election judge of the polling place at which the ballots were counted, as applicable, and the person who prepared the program sign a written statement indicating that the original program is defective. If the statement cannot be obtained, the recount supervisor shall have the ballots recounted manually.

(e) If a recount using a corrected program is to be made, the original program shall be preserved without change and a complete new program shall be prepared. The original set of test materials shall also be preserved without change and a complete new set shall be prepared if the original set is unsuitable for testing the corrected program.

(f) The recount supervisor shall obtain from the person who prepares a new program a signed statement that the program was prepared by the person, with the date of preparation and the person's address shown on the statement. The new program, the preparer's statement, and the test materials used for verification shall be preserved in a sealed container in the same manner and for the same

period as the original program.

(g) The costs of a recount under Subsection (c) may not be assessed against a person regardless of its outcome. If other precincts are included in the same recount document, the assessment of the costs in the other precincts shall be determined by the overall outcome in all precincts included in the document.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986. Amended by Acts 1997, 75th Leg., ch. 864, Sec. 224, eff. Sept. 1, 1997.

Sec. 214.047. TEST USING UNOFFICIAL TEST MATERIALS. (a) In addition to a test conducted under Section 214.046 using official test materials, a person requesting a recount of electronic voting system ballots but not requesting a manual recount is entitled to have each test repeated, using test materials furnished by the person, if the person offers the materials to the recount tabulator before or immediately after the official test is made.

(b) The outcome of a test using unofficial test materials has no legal effect on the conduct of the recount.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 214.048. REQUEST FOR MANUAL RECOUNT AFTER SUCCESSFUL TEST. (a) If a person requesting an electronic recount is dissatisfied with the program or the equipment to be used for the recount after a successful test conducted under Section 214.046, the person may change the method of counting to a manual recount as provided by this section.

(b) A person desiring a manual recount under this section must notify the recount supervisor immediately after the test is concluded that a manual recount is desired.

(c) After being notified under Subsection (b) that a manual recount is desired, the recount supervisor shall promptly deliver to the person requesting the recount a written statement of the costs incurred for use of the equipment in making the tests and for compensation of the recount committee for time spent in making the tests.

(d) To obtain a manual recount, the person requesting the recount must deliver to the recount supervisor within 24 hours after

receiving the cost statement under Subsection (c):

(1) a cashier's check payable to the recount supervisor in the amount specified in the statement; and

(2) a cashier's check payable to the recount coordinator in the amount of the difference between the amount of the deposit for a manual recount and the amount for an electronic recount.

(e) On receiving checks complying with Subsection (d), the recount supervisor shall promptly arrange for a manual recount of the ballots.

(f) The recount supervisor shall place a check remitted under Subsection (d)(1) in the fund from which the costs covered by the check are payable. No part of the amount is refundable. If the recount costs are assessed against the person requesting the recount, the costs covered by the check may not be included in the assessment.

(g) If the recount supervisor is not the recount coordinator, the supervisor shall notify the coordinator of the change in the counting method and shall deliver to the coordinator the check remitted under Subsection (d)(2). The check is subject to disposition in the same manner as the check accompanying the recount document.

(h) If the person requesting the recount does not comply with Subsection (d), a recount of the precincts for which the manual recount is requested may not be made, and the person shall be assessed for the amount of the costs specified in the cost statement prepared under Subsection (c) regardless of the outcome of a recount in any other precincts.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 214.049. COUNTING PROCEDURE. (a) All members of the recount committee in an electronic recount shall be present during the testing of the program and equipment and during the counting of the ballots. In the case of a general or special election, the court shall direct the appropriate

authority to order the election for the date set by the court. In the case of a primary election, the court shall direct the appropriate officers of the political party to hold the election on the date set.

(b) Except as otherwise provided by this subtitle, the new election shall be held in the same manner as the contested election.

(c) The district court may set the election for a date that shortens the regular period for early voting, but the date must make it possible for early voting by personal appearance to begin not later than the 10th day before election day. In the order setting the date for the election, the court shall also set the date for beginning early voting by personal appearance if it is not possible to begin on the regular day.

(d) In addition to public notice required by law, the district court may require the new election to be publicized in the manner prescribed by the court.

(f) The district court may shorten the normal period between election day and the date of the official canvass.

(g) The district court retains jurisdiction of the contest until the new election is completed and may make any orders the court considers necessary to ensure its proper conduct.

If the judgment orders a new election, the clerk shall attach to each copy of the judgment a certified copy of the order setting the election date and any other order relating to

the conduct of the election.

(c) If the judgment orders that a new general or special election be held, the clerk shall deliver a copy to the authority responsible for ordering the election. If the judgment orders a new primary election, the clerk shall deliver a copy to the state chair of the appropriate political party, in the case of a statewide or district office, or to the county chair, in the case of a county or precinct office.

The officer shall deliver the notice at the same time as the certification or, if the certification is delivered before receipt of notice under Subsection (a), as soon as practicable after certification.

(c) If the contested election is a general or special election and the officer receiving notice under Subsection (a) is not the authority or presiding officer of the authority that orders the runoff election, the clerk shall deliver written notice of the filing to that authority.

The runoff must be held on the same day of the week as the regularly scheduled runoff.

(b) The date set for the runoff may not provide a longer interval between the court order and the runoff than is required or authorized by law between the main election and a regularly scheduled runoff. The date may provide a shorter interval, but the interval must make it possible for early voting by personal appearance to begin not later than the 10th day before election day.

(c) If the runoff is set for a date that shortens the regular period for early voting, the order setting the date of the election must specify the date for beginning early voting by personal appearance.

(d) As soon as practicable after an appeal in a contest is perfected, the district judge shall set the deadline for filing the trial court record in the appellate court. The judge may make any other orders to expedite an appeal that are reasonable and appropriate, including reducing the time normally allowed for filing appellate briefs, subject to review by the appellate court on motion of a party.

(e) The court of appeals may refuse to permit a motion for rehearing to be filed or may reduce the time for filing the motion.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice

and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.

(7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

(a) The county clerk shall supply as many copies of the petition as may be required by the applicants but not to exceed more than one page of the petition for every 10 registered voters in the county, justice precinct, or municipality. Each copy must bear the date, number, and seal on each page as required on the original petition.

Sec. 501.031. VERIFICATION OF PETITION. (a) The voter registrar of the county shall check the names of the signers of petitions and the voting precincts in which the signers reside to determine whether the signers were qualified voters of the county,

justice precinct, or municipality at the time the petition was issued. The political subdivision may use a statistical sampling method to verify the signatures, except that on written request from a citizen of the political subdivision for which an election is sought, the political subdivision shall verify each signature on the petition. The citizen making the request shall pay the reasonable cost of the verification. The registrar shall certify to the commissioners court the number of qualified voters signing the petition.

(e) The signature is the only entry on the petition that is required to be in the signer's handwriting.

(f) A signer may withdraw the signer's signature by deleting the signature from the petition or by filing with the voter registrar an affidavit requesting that the signature be withdrawn from the petition. A signer may not withdraw the signature from a petition on or after the date the petition is received by the registrar. A withdrawal affidavit filed by mail is considered to be filed at the time of its receipt by the registrar. The withdrawal of a signature nullifies the signature on the petition and places the signer in the same position as if the signer had not signed the petition.
