Sec. 141.067. WITHDRAWAL OF SIGNATURE. (a) A signature may be withdrawn from a petition as provided by this section.

(b) To withdraw a signature, the signer must request that the signer's signature be withdrawn.

(c) To be effective, a withdrawal request must:

(1) be in writing and be signed and acknowledged by the signer of the petition; and

(2) be filed with the authority with whom the petition is required to be filed not later than the date the petition is received by the authority or the seventh day before the petition filing deadline, whichever is earlier.

(d) A withdrawal request filed by mail is considered to be filed at the time of its receipt by the appropriate authority.

(e) The signer must deliver a copy of the withdrawal request to the candidate when the request is filed.

(f) The filing of an effective withdrawal request nullifies the signature on the petition and places the signer in the same position as if the signer had not signed the petition.

(g) If the withdrawal of a signature reduces the number of signatures on the petition below the prescribed minimum for the petition to be valid, the authority with whom the request is filed shall notify the candidate immediately by telephone, telegram, or an equally or more expeditious method of the number of withdrawn

signatures. Before the third day after the date the candidate receives the notice, the candidate's petition may be supplemented with signatures equal in number to the number of signatures withdrawn.

Sec. 141.068. DUTY OF LOCAL AUTHORITY TO VERIFY SIGNATURES.

(a) On request of the secretary of state, a voter registrar shall verify the voter registration status of a signer of a petition filed with the secretary who the petition indicates is registered or has been accepted for registration in the county served by the registrar.

(b) On request of the secretary of state, a county clerk shall ascertain from the records in the clerk's custody whether a signer of a petition filed with the secretary is shown to have voted in a particular election.

Acts 1985, 69th Leg., ch. 211, Sec. 1, eff. Jan. 1, 1986.

Sec. 141.069. VERIFYING SIGNATURES BY STATISTICAL SAMPLE.

If signatures on a petition that is required to contain more than 1,000 signatures are to be verified by the authority with whom the candidate's application is required to be filed, the authority may use as the basis for the verification any reasonable statistical sampling method that ensures an accuracy rate of at least 95 percent.

Sec. 141.070. ESTIMATING GUBERNATORIAL VOTE FOR TERRITORY

WITH CHANGED BOUNDARY. (a) If, since the most recent gubernatorial general election, a district or precinct from which an officer of the federal, state, or county government is elected is created or has had its boundary changed, the number of votes received in the district or precinct by a political party's gubernatorial candidate or by all the gubernatorial candidates shall be estimated, as

provided by this section, for the purpose of computing the number of signatures required on a candidate's petition.

(b) The secretary of state, for a district, or the county clerk of the county in which the precinct is situated, for a precinct, shall estimate the applicable vote total on the request of:

(1) a candidate affected by the creation or change; or

(2) an authority with whom an affected candidate's application for a place on the ballot is required to be filed.

(c) Not later than the 30th day after the date the secretary of state or county clerk receives an estimate request, the secretary or clerk shall certify the secretary's or clerk's estimate in writing and deliver a copy of the certification to the candidate and to the authority with whom the candidate's application for a place on the ballot is required to be filed.

(d) If an estimate is not requested under Subsection (b), the authority with whom an affected candidate's application for a place on the ballot is required to be filed shall make the estimate before acting on a petition.

(e) If, before completing an estimate, the estimating authority determines that the total estimated vote will be large enough to make a computation of the number of signatures required to appear on the petition unnecessary, the authority may certify that fact in writing instead of completing the estimate.

(f) A candidate for an office that is affected by an estimate or by a determination made under Subsection (e) may challenge the accuracy of the estimate or determination by filing a petition, stating the ground of the challenge, in a district court having general jurisdiction in the territory involved. Review in the district court is by trial de novo, and the court's decision is not appealable.
